We've given lots of kids a good home.

CENTURY 21 brokers and salespeople have put more families into homes than any other real estate sales organization, and CENTURY 21 Accent, Realtors is one of the leaders in real estate for the Frankfort area. We know how it's done — not only with homes, but also with investment properties.

We also recognize that the students of Capital Day are the leaders of the future for Frankfort, and we applaud the school and its students for their collective excellence. Quality education is most often the key to success, and Capital Day is at the top. Congratulations to the school, its administration and faculty, the students, and their parents!
